

Certificate of Completion

Presented By
Society of American Military Engineers
Tulsa Post

This certifies that

was in attendance at the Tulsa SAME monthly post meeting on Aug 11, 2015 at the Tulsa District Corps of Engineers Webbers Falls Power House in Gore, OK. This program covered technical issues relevant to the engineering profession as outlined below. Speakers may double the PDHs for their topic.

Speaker: Earl Groves, Chief of Operations Division, USACE

Topic: Field trip and presentation included an overview of the mission associated the Webbers Falls Lock & Dam and Powerhouse. The presentation included a description of the current work and upcoming work expected to take place as well as challenges encountered with the mission.

Mr. Groves shared his experiences working as Tulsa District's Chief of Operations Division to support the navigation and hydropower missions. The presentation discussed the current construction project status, as well as field trip to the lock & dam and powerhouse.

The presentation was sponsored by Mead & Hunt and Mason & Hangar.

Total PDH Credits: 2 PDH's

COL Richard Pratt
2015 President
