

CERTIFICATE OF COMPLETION

Presented by
Society of American Military Engineers
Tulsa Post

This certifies that

was in attendance at the Tulsa SAME Monthly post meeting on April 19, 2016 at the Tulsa District Corps of Engineers Office in Tulsa, Oklahoma. This program covered technical issues relevant to the engineering profession as outlined below. Speakers may double the PDHs for their topic.

Speaker: Tammy Piazza, P.E., USACE Tulsa District-Water Management

Topic: An overview of the USACE Tulsa District Water Management and Reservoir Operations.

This overview presentation discussed the purpose and acceptable use of reservoirs, reservoir design, and operations. Other topics discussed included the logistics of gate operation and flood damage considerations. Ms. Piazza provided practical examples of Water Management during the discussion of the rainfall/flood events that occurred in Oklahoma between May and June 2015 and downstream impacts of Arkansas River and Red River systems.

Total PDH Credits: 1 PDH
